- Both sides of N. 130th St. from I-5 to 3rd Ave. N.W.
- Both sides of Greenwood Ave. N. from N. 105th St. to N. 145th St.
- Both sides of Northgate Way from Meridian Ave. N. to Greenwood Ave. N.
- Both sides of N. 125th St. from Densmore Ave. N. to 3rd Ave. N.W.
- Both sides of N. 115th St. from Meridian Ave. N. to Aurora Ave. N.
- Both sides of 3rd Ave. N.W. from Holman Rd. to N. 145th St.
- Both sides of 1st Ave. N.E. from N. 117th St. to N. 145th St.
- Wide, permeable, sand and paver stone/brick sidewalks, concrete curbs and gutters, and curb ramps on both sides of Linden Ave. N. from N. 128th St. to N. 145th St.
- Both sides of 3rd Ave. N.E. between N.E. 116th St. and the existing sidewalk at N.E. 115th St.

[Priority](#) Top**Status:** Not started**Sub-Activity** Design and construct sidewalks along Aurora Avenue North between 115th and 135th.

**Summary** A \$6.4 million Transportation Capital Improvement Project (CIP) along Aurora Avenue between 110th and 145th has been funded and will include sidewalks along with other improvements. Preliminary design will begin in late 2004, with environmental review expected to take until mid-2006. Construction will begin after design and environmental review are completed.

<b>Activity</b>	Establish a water-quality monitoring program in area creeks, lakes, and Puget Sound outfalls to inform waste water/drainage planning and maintenance. (Public involvement and notice is outlined in Plan.)

[Priority](#) Second**Status:** In-Progress**Sub-Activity** Conduct Bitter and Haller Lake Water Quality Studies. This project is listed as the Densmore Basin Water Quality Study

**Summary** Seattle Public Utilities (SPU) has conducted limited studies of both lakes within the last three years and King County/Metro is currently monitoring the productivity of the lakes and working with SPU to include them in the basin-wide water quality study now scheduled for completion in mid-2005.

<b>Activity</b>	Develop regular circulating shuttle service from the Hub Urban Village transit center to Sound Transit's proposed Northgate Light Rail Station and Metro's Northgate Transit Center.

**Priority** Third**Status:** Not started

**Sub-Activity** Develop plan for creating shuttle bus service between Urban Village transit center and Sound Transit's proposed Northgate Light Rail Station and Metro's Northgate Transit Center.

**Summary** This is a long-range project to be coordinated with King County/Metro. Their recent Six-Year Update did not provide additional service in this area, but service to Northgate and surrounding neighborhoods will be examined if and when Sound Transit light rail service is extended to Northgate.

<b>Activity</b>	Develop and maintain open space:

*The undeveloped right-of-way called N. 121st St. (east of Stone Ave.)*

*City-owned parcel and vacant property south of the right-of-way.*

**Priority** Fourth**Status:** Not started

**Sub-Activity** Develop open space at 120th and Stone Way (behind Home Depot)

**Summary** This area is used by Seattle Public Utilities (SPU) for stormwater drainage detention, so open space opportunities are limited and would need to be coordinated with the Seattle Dept. of Transportation (SDOT), SPU and Fleets and Facilities, which owns the adjacent City property.
